INSTRUCTIONS

STEP 1:

My booklet is three pages. I cut my first two using a large Charming Tag 1 die and layered it over a die cut Delicate Circle.

STEP 2:

My third page is built on our Picket Fence die cut. It looks fun peeking out from underneath the top two pages.

STEP 3:

For the first two pages, cut a vellum Love to Layer: Scalloped circle for the first and from white from the second page.

STEP 4:

Cut eggs and embellish them using the Easter Egg-travagance and Elegant Eggs stamp set and dies. Assemble one egg on each tag.

STEP 5:

Add grass cut from Bitty Big Spring Moss paper and the grass die from the Weave a Basket die collection and the Grassy Edge die.

STEP 6:

Cut and sponge ink over the small butterfly from the Elegant Eggs die set. Add a butterfly to each page.

INSTRUCTIONS

STEP 7:

Select a sentiment and add to each tag, heat embossing over vellum if you choose. Add adhesive gems and Stickles glitter to embellish.

STEP 8:

Tie three pages together on the left edge using the loops from the Delicate Circle and picket fence slats. Use twine, ribbon, string, etc.
